

“I draw from what I learned in my [UAS] classes and from my mentors every day. I’m incredibly thankful that the UA system houses a program of such high caliber. I hope to see it continue to produce well-trained, well-prepared, and passionate new teachers to enrich, invigorate, and continually improve our state’s public school system.”

James Harris, UAS M.A.T. graduate, 2017 Alaska Teacher of the Year, Soldotna

ALASKA COLLEGE OF EDUCATION

EDUCATING QUALITY “HOME-GROWN”
TEACHERS AND LEADERS FOR
ALASKA’S SCHOOLS

Alaska's children
deserve quality
teachers who know

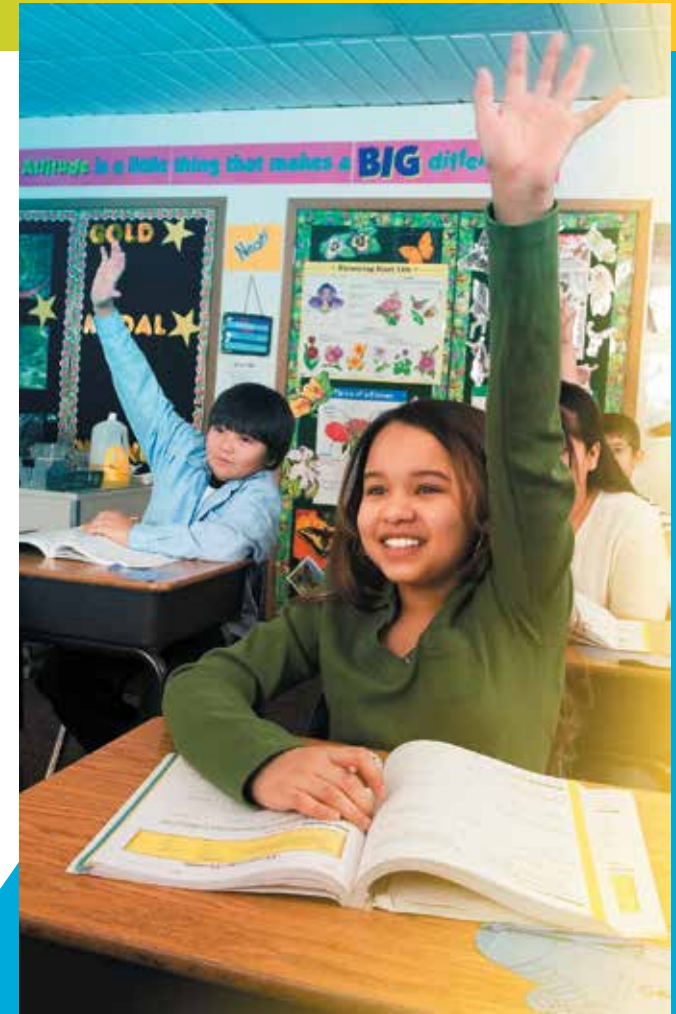

OUR STATE
OUR CLIMATE
OUR ECONOMY
OUR HISTORY
OUR CULTURES
OUR LANGUAGES
OUR FUTURE

The Alaska College of Education will contribute to a robust culture of education through a wide array of program and subject offerings:

- ◆ Elementary, Secondary, and Special Education programs
- ◆ Education leadership programs: Principals/Superintendents
- ◆ Undergraduate and graduate degree options
- ◆ Graduate certificates and endorsements
- ◆ Campus-based, blended, and online instruction
- ◆ Alaska Native & indigenous education
- ◆ Integrated STEM education
- ◆ Place-based curriculum
- ◆ Educators-Rising pathways for future teachers
- ◆ Educational research
- ◆ Professional development and mentorships

OUR GOAL
BY 2025 **90%**
OF NEW TEACHER-HIRES WILL BE
QUALITY ALASKAN TEACHERS

"The M.A.T. programs at UAS have a history of producing the greatest number of effective teachers who desire to remain in Alaska. These educators provide stability to school staffing selections, creating school experiences for students that result in higher student learning."

—Amy Jo Meiners, UAS M.A.T., 2016 Alaska Teacher of the Year, Juneau

ALASKAN TEACHERS MAKE A DIFFERENCE
