Visit the Juneau Community Foundation on the Web

The Juneau Community Foundation, a nonprofit public charity created to promote philanthropy in our community, has their new web site up and running at www.juneaucf.org. We invite you to visit us on the web and learn more about the services we will be providing donors and charitable organizations in Juneau.

In the near future, we plan to add a link to a "Community Bulletin Board" where donor and volunteer opportunities will be posted. This will give agencies such as the school district, city, and other nonprofits a place to recruit volunteers and/or any size donations for special projects. The Community Bulletin Board will be available by the end of the year.

Currently, the United Way is compiling a comprehensive list of Juneau nonprofits. For donor convenience, there will be a link to this list from the Juneau Community Foundation web site. This will enable donors to see all of the charitable organizations at work in Juneau and what areas of the community they serve.

On November 15 at noon in the Juneau Empire third floor conference room, the Juneau Community Foundation will meet to provide information to the public and other nonprofit groups about the Foundation and its role in the community. This will be a brown bag lunch meeting and will last approximately an hour. The meeting is open to anyone who is interested and would like more information about the Foundation.

In addition, the Juneau Community Foundation will be giving a presentation to tax attorneys, estate planners, and investment experts at the Estate Planning Council meeting at 5:00 p.m. on November 15 at the Prospector Hotel.

If you have questions or would like more information about the Juneau Community Foundation, please contact us at (907) 463-3223. We would also love to hear your ideas about how we can best serve the community and increase philanthropy in Juneau.
